No. 3:19-CR-186
REEVES/POPLIN

MEMORANDUM AND ORDER

Defendant Seth Wilson (“Defendant”) has moved to continue trial and all pretrial deadlines in this case. [D. 17]. In support of the motion, counsel for the Defendant states that technology issues have prevented receipt of discovery in this matter. Counsel for the Defendant and the government are diligently working to rectify the technological problems, but the current lack of access to discovery has hampered the Defendant’s preparation for trial. The government does not oppose the motion.

Considering Defendant’s need for additional time to access discovery and adequately prepare for trial, the motion to continue [D. 17] is **GRANTED**, and the trial of this matter is **RESCHEDULED** for **May 26, 2020**. The court finds the ends of justice served by continuing the trial outweigh the interests of the defendant and the public in a speedy trial. 18 U.S.C. § 3161(h)(7)(A). The court also finds that continuing the trial is necessary in order to permit counsel the reasonable time necessary for effective preparation. 18 U.S.C. § 3161(h)(7)(B)(iv). The court finds that requiring the parties to proceed to trial as scheduled would deprive counsel of the reasonable time necessary to prepare effectively for trial, taking into account the exercise of due diligence. *Id.* The period of time between the defendant’s motion for a continuance and the trial of this case shall be fully excludable for Speedy Trial purposes. 18 U.S.C. § 3161(h)(7)(A)–(B).

All motions in limine must be filed no later than fifteen (15) days before trial. Special requests for jury instructions shall be submitted to the court no later than ten (10) days before trial

and shall be supported by citations of authority pursuant to Local Rule 7.4. All other pretrial deadlines will be reset according to the new trial date.

IT IS SO ORDERED.
